

## Save the date: Nordic NanoLab User Meeting 2017

**NTNU NanoLab, NTNU Norwegian University of Science and Technology  
Trondheim, Norway, 9-10 Mai 2017**

Welcome to attend and contribute to the first Nordic Nanolab User Meeting 2017 at NTNU NanoLab, NTNU Norwegian University of Science and Technology, 09 –10 May! This is the third user meeting organized on a Nordic level continuing the long tradition of Myfabs user meetings. We look forward to two days of interesting presentations, technical workshops and presentations of your work at the poster session, as well as a visit to NTNU NanoLab and other laboratory facilities at NTNU. We expect around 200 participants from 10 cleanrooms in all the Nordic countries.

**Preliminary program at a glance:** The program of the meeting will include several plenary talks and thematic seminars on Materials Analysis and Characterisation, Thin Film Technologies, Etching Technologies and Lithography. The meeting will finish with lab tours to visit NTNU NanoLab, NorTEM, RECX and the MBE facilities (preliminary list). The meeting is associated by a technical exhibition of cleanroom related equipment. More detailed information regarding the exhibition will be sent out in autumn 2016.

**Registration will open in January 2017**
